

General Information

- Please add the *initial of your first name* and *your surname* + "_" in the beginning of each file name. For example, if your name is John Smith, a file *fig_1a_3-01.wmf* should be *jsmith_fig_1a_3-01.wmf*
- Please archive all of your figure files and integral data files for all cases into one zipped file. The file name should be *your first name initial* and *your surname* + ".zip". For example, if your name is John Smith, the file name is *jsmith.zip* .
- The archived file should be uploaded to the FTP server of FORCE via FTP. User account name and password are required to login the server. Please contact the organizer (technical@simman2007.dk) to obtain these informations.
