

General Information

- Please use following file name convention for submission: Beginning with your first name initial followed by full surname, add test case id and file serial number separated by underscores and/or hyphens. For example, if your name is John Smith and for the third file of test case 1a.2, a file name *int_1a_2-03.dat* appearing in the instruction should be rewritten as *jsmith_1a_2-03.dat*
- Please archive all of your figure files and integral data files for all cases into one zipped file. The file name should be *your first name initial* and *your surname* + “.zip”. For example, if your name is John Smith, the file name is *jsmith.zip* .
- The archived file should be uploaded to the FTP server of FORCE via FORCE ftp-server. User account name and password are required to login the server. Please contact the organizer (technical@simman2007.dk) to obtain this information.
